Experience

Karen was recruited from Colgate University Masters program to intern with Lyondell Chemical Company - Houston, Texas in the Human Resources Department. She was employed for 20 years in various HR generalists roles in both union and non - union environments. When Lyondell grew from \$2.5B to over \$12B in assets Karen was promoted to Talent Acquisition Manager at the Corporate Headquarters to create and centralize a world class recruiting team providing staffing needs in United States and Europe.

Most recently Karen moved into healthcare sector providing full life cycle recruiting for Corporate, Environmental Services, and Culinary senior level Corporate and facility management positions throughout the United States.

Karen excels in building strong relationships with business leaders and prospective candidates to ensure the most qualified talent is aligned to the open position.
