Experience

Mike is an associate with Ruck-Shockey Associates, Inc., an S-Corporation formed in 1997. He is an internationally recognized, award-winning professional with over 30 years of operational and project experience in environmental services and food service including operational review & assessment studies; service integration (multi-service/multi-unit); implementation processes and request for proposal (RFP) leadership. He has extensive knowledge in all aspects of hospitality management, with an emphasis on the Environmental Services field including the management of leadership development, daily operations, laundry and linen operations and contract negotiations.

Mike is experienced in conducting facility audits and feasibility studies where capital investments are needed, making appropriate recommendations and providing implementation plans. He also has experience in education and training programs for environmental services leaders and technicians. He currently serves as a Master Trainer for the Certified Healthcare Environmental Services Technician program offered through the American Hospital Association (AHA). Mike utilizes leadership, financial, operational, regulatory and cost benefit analysis skills to assist in creating programs that are effective.
